

Vitamins for Heart Health

Description:

Children's Chewable by Solaray is an easily digestible children's multi vitamin and mineral supplement. Children's Chewable, natural black cherry flavored multi-vitamin and mineral supplement, is designed specifically to meet a child's nutritional needs. Children's Chewables contain no sucrose, no yeast, no artificial flavors, no artificial colors. Multiple vitamin-mineral (MVM) supplements contain a variable number of essential and/or non-essential nutrients. Their primary purpose is to provide a convenient way to take a variety of supplemental nutrients from a single product, in order to prevent vitamin or mineral deficiencies, as well as to achieve higher intakes of nutrients believed to be of benefit above typical dietary levels.
